

Bermuda Run Garden Club Prepares to Compete

The Bermuda Run Garden Club of Davie County plans to be a big competitor at the Dixie Classic Fair next month in Winston-Salem. Members Ann Cornwell (left) and Lois Price (right) presented “Flower Design Principles” at the Garden Club’s September 7th meeting. “In order to make a winning *blue ribbon* centerpiece” says Lois Price “an arrangement must conform to several elements and principles of design. Such examples would include space, line, light, color, texture, form, pattern, balance, rhythm, and scale. Both Lois and Ann shared proven methods on choosing the right container and how to keep various flowers fresh throughout the showing. Bermuda Run Garden Club won 134 ribbons and awards in last years competition.

The Bermuda Run Garden Club supports Meals on Wheels, Storehouse for Jesus, Lunch Buddie programs, Community beautification, and numerous other projects within Davie County.
