

## **Garden Club raises \$1K for reading program**

The Bermuda Run Garden Club raised \$1,000 for the Davie County children's reading program.

The program is overseen by the Davie Community Foundation.

The money was raised from the club's first shredding event last fall. Buoyed by the success of that, the club is having another shredding event April 18 from 10 a.m. to 1 p.m. in the Bermuda Run Town Hall parking lot off U.S. 158.
