Second form is for customers who are picking up their geraniums.

Give them copy to be presented when picking up geraniums.

Please write customer's phone number in the pick up column.

*****Please use these forms to make it easier for both picking up and delivering orders. Also, they make tracking payment easier.*****

Please do not give any payments directly to our treasurer, Cathy. It makes keeping track of order/payments difficult for both her, Betty and Shirley.
